# **THE KENYA POLYTECHNIC UNIVERSITY COLLEGE**

## **School of the Arts & Media Technology**

Welcome to the School of the Arts and Media Technology at Kenya Polytechnic University College. It is one of the leading specialist schools of The Arts and Media Technology in Kenya. We train in Graphic Design, Fine and Visual Arts, Journalism and Mass Communication, Creative Media Technology, Fashion and Textile Design, Printing Technology, Music and Performing Arts. These form the visual part of the creative industries. Our courses will develop individual creativity, understanding and skills for a wider choice of careers. The school combines creativity with high levels of skills and there are now more career opportunities in these fields than ever before. Our students are intellectually and technically skilful, industry ready and highly motivated to take on competition and thrive in this rapidly changing world of technology. Our training is enriched with industrial visits and attachment, study tours, exhibitions and projects.
